Hello im back

Dear honourable members,

Hola. I am Confussed. You have already confirmed me in OIC #10 to the position of Deputy Attorney General, however obviously this position is certainly a little bit different.

As you may recall, I've been a member of the Firestone legal community for about 2 or 3 years. I've served as an assistant state attorney, owner of my own law firm, and most notably as a judge.

Now, I understand if some of you have some apprehensions about my confirmation. I understand that I'm fairly new to the community, and I lack some experience in the legal realm of BC. However, since my prior confirmation, I have had the chance to review the laws in this game and apply them in some interpretation scenarios. Additionally, I was able to learn from the other nominee for this position which gave me the ability to understand the current ways the MOJ operates.

Upon my confirmation, my first bit of action will be reorganizing the MOJ server in its entirety, and reviewing all members to see if they are needed and are effective. I will begin reorganizing internal policy, and working with the judiciary to resolve any issues that may come up as we begin this transition from Vancouver to Victoria. In addition, I'll open a consistent line of communication with CSIS in order to streamline future large-scale criminal prosecutions.

I hope that this little speech has quelled some of your potential doubts about me as a nominee, and I look forward to working towards the continued prosperity of the province in my role.

Thank you very much

Hon. hxamz_a: @S3aWo1fz 🐱

Hon. rpqu: Congratulations on your graduation,
What are your plans for the bar exam?

Ms. Confussled: thank you ma'am.

to be quite frank, I'm not sure. I'm unfamiliar with the current state of the bar exam, however I will review it in full with the other members of the LSBC. Obviously, I'd like to maintain a high standard of competency within the province's courts, and if that requires making the bar exam more difficult it is a step I'm willing to take.

Thank you for your question esteemed mistress

Hon. S3aWo1fz: Open motion and debate period will be presumed to have been opened right after Ms. Confussled finished their speech.
