Mr. @xXKenPlays you are given the floor for your speech.

Mr. xXKenPlays: Hello all, I'm going to assume all you know who I am and my experiences within this community and other communities like Firestone and Aigio.

I have been in and out of the Council, Legislative Assembly holding leadership positions. This position isn't demanding but I promise to be active for the Assembly!!!!

I welcome all questions but those relating to my double homicide that I was ****acquitted**** for.
@S3aWo1fz

Hon. S3aWo1fz: Thank you, Mr. xXKenPlays.

Open debate and motion period is open, @Voting Member.

Hon. FoxyTheWereFox: Hi public, this bill just changes how the government operates to allow further changes to be implemented by oversight and the office of the premier

Hon. hxamz_a: Hi ken plays

What makes you worthy of such a position

This is a very prestigious and no “walk in the park position”, requiring dedication and loyalty.

Hon. Shibe_R6: Doesn't “acquitted” imply a not guilty verdict?

Hon. FoxyTheWereFox: How can we ensure you won't murder people as SAA

Hon. hxamz_a: How can I be sure I won't be killed during a sitting

How will we be sure your horrid driving will not kill anyone or anything on your way to the chamber

Hon. vd207: Lol its ken

[Referencing Orders of the Day] Read, Monsieur le Président

Hon. hxamz_a: [Referencing Orders of the Day] Read, Mister Speaker

Hon. S3aWo1fz: For the record Orders of the Day will now just be provided without needing confirmation of being read by voting members; so no need to acknowledge them, Members of the Legislative Assembly.

Aura can't be proven unfortunately
It is shown whenever it goes powerful

Hon. FoxyTheWereFox: my psychic says you have a bad aura, how do you respond

Mr. xXKenPlays: Your psychic is wrong.

Hon. hxamz_a: Ok MTV

Hon. S3aWo1fz: Next piece of business before us is [A Resolution to Appoint Mr. 16258001 to the Position of Deputy Sergeant-at-Arms within the Office of the Sergeant-at-Arms](#).

Mr. @16258001 is given the floor for his statement.

Mr. 16258001: Sorry for the delay everyone, was away from electronics for a while. Now let us begin.

Most of the honourable MLAs may know me and for those that don't. I am 16258001. I have been in the community for about 3 years now. I am experience in the duties of a law enforcement officer, protections officer aswell as serving previously in the Vancouver City Council as the Sergeant at Arms. I put my work first and I promise you I personally will make sure I will fulfill my duties to the members of this legislature as the Deputy Sergeant at Arms.

I yield the floor back to the honourable speaker @S3aWo1fz

Hon. S3aWo1fz: Thank you,
open debate and motion period is open, @Voting Member.

Hon. Antonio_Gamer1567: @16258001 have you ever been convicted of a crime which would include you causing bodily harm with any type of weapon?

Mr. 16258001: No, Mr Premier.

Hon. Antonio_Gamer1567: Good
Another question
Why did you stop being Sergeant at Arms for the Vancouver City Council? Did they fire you there?

Mr. 16258001: If I remember this correctly, members from the legislature decided not to approve my transiting to being the sergeant at arms for the Legislative Assembly of British Columbia.
I was never told why seeing that I was the only one who was denied the opportunity.

Hon. Antonio_Gamer1567: Alright

Hon. hxamz_a: Your nomination failed

Hon. Antonio_Gamer1567: Last question

While serving as sergeant at arms for the Vancouver City Council have you ever felt a sudden urge to hit any member of the City Council or a member of the public with the issued mace or any other officially issued weapon? And if you did, how did you deal with such emotion?

Please think about it and deliver truthful answer

Mr. 16258001: I have felt said emotion when members where acting out of line. But I just remembered to keep cool and do my breathing exercises.

Hon. Antonio_Gamer1567: Thank you for such awesome answers! That is all from me.

Hon. Dakota_303: Are you physically capable of handling the gold mace?

Mr. 16258001: Yes I am, I'm the in gym at least 5 times a week

Hon. Antonio_Gamer1567: Could you, in detail, explain what your preparation for this highly important job looks like?

Mr. 16258001: It's simple, increase my deadlifting regiment as well as my dumbbell lifting exercises

To @scriptruntime no I am not (You made me laugh so bad I almost feel out my chair lol)

Hon. Antonio_Gamer1567: That seems enough for such important job.

@16258001 do you think you are mentally ready for such an important job?

Mr. 16258001: Yes, I have a pretty strong head. It's hard to rock it

Hon. Antonio_Gamer1567: Have you tested that?

Mr. 16258001: Yes

Hon. Antonio_Gamer1567: I think we heard enough

This man is clearly competent!

Motion to vote

Hon. S3aWo1fz: Are there any seconds or objections, @Voting Member?

Hon. hxamz_a: Objection, give me a moment to write down the questions I have for this man.

Hon. Antonio_Gamer1567: Ok

I withdraw my motion

Hon. hxamz_a: To my knowledge, I overheard that you're graduating this year. I'm assuming you're going into college or university.

- Will this interfere with your activity as the Deputy Sergeant at Arms? If not, how will you be so sure.

Also, with all due respect, your PC is fucking dog shit at running games; this being the case:

[Withdrawn]

- Do you think that as the Deputy Sergeant at Arms, this will conflict with your duties in game?

@16258001

Hon. hxamz_a: Once answered these, I second the motion to vote, mister speaker.

Hon. S3aWo1fz: The Honourable Premier @Antonio_Gamer1567 would you like to re-propose your motion after such questions are answered?

Hon. Antonio_Gamer1567: Yes

Hon. vd207: MTV bro wrap this up already

Hon. Antonio_Gamer1567: Woah woah, Honourable MLA, please withdraw such awful language, you can ****not**** say that in this honourable chamber!

Hon. hxamz_a: Vd207, please do not rush us.

The Right Honourable Premier, if you will, please do not flood up this chat with unnecessary comments

Hon. FoxyTheWereFox: I ask that the honourable gentleman withdraws their unparliamentary comments from this chambers

Hon. Antonio_Gamer1567: What you did is against standing orders of this honourable institution. I call upon the Honourable Speaker to act immediately.

Hon. FoxyTheWereFox: hear hear

Hon. hxamz_a: Mister speaker, the chamber is turning into a place with normal conversations and ridicule comments

Hon. FoxyTheWereFox: Withdraw

Hon. hxamz_a: @16258001 reminder due to the severe amounts of chatter in the chamber

Hon. Antonio_Gamer1567: I call upon Honourable Speaker to act right now, this is unacceptable.

Hon. hxamz_a: Apologies, mister speaker.

Hon. FoxyTheWereFox: Withdraw!

Hon. Antonio_Gamer1567: Withdraw!

Hon. FoxyTheWereFox: For the record I'd like it noted the Honourable hxamz_a edited a message

Hon. hxamz_a: I withdraw my statement of "Also, with all due respect, your PC is fucking dog shit at running games" and have fixed it into saying "Also, with all due respect, your PC is horrid at running games".

I apologise for causing an unrest in the chamber

Hon. Antonio_Gamer1567: Phew, finally.

Mr. 16258001: I'm sure the first week is going to be rough (which is normal for everyone) but once I find a proper system I'm sure it will work out. And for my laptop I'm getting one for dedicated school work and one that's just for hardcore gaming so I should be fine

Finished my budgeting plan yesterday actually

Hon. Dakota_303: Wow!

Mr. 16, what is 1+1

Hon. Antonio_Gamer1567: lkr isn't that fascinating to hear!?

Mr. @ferociousnathan is given the floor for his statement.

Mr. ferociousnathan: Apologies for the lack of response, I have only just been able to get 5 minutes to check my phone.

Im sure a few recognise my name from other communities and servers as a whole, but for those not aware;- I'm Nathan. I've been on this heathened platform since December of 2013 and I've held plentiful of roles in different communities, including time in Norfolk, Firestone, Mayflower, and Aigio.

I wish to hold transparency of the fact that I have not completed a role similar to this, but I have complete trust in both my ability to quickly learn the trade alongside the fact that I will work hard with the Honourable Speaker in ensuring that I become proficient in the job role.

I'm open to any questions or queries if there are any.

Mr. Borealis_1: Hello, I'm Borealis_1 nominee for the Assistant Clerk position. You may or may not know me from my time in the Ministry of Transportation and Infrastructure but whether you know me or not I won't disappoint as an Assistant Clerk. Outside of the Ro-state genre I've worked in a plentiful amount of positions that required me to work with tools such as Google Docs/Slides or Trello, sometimes working with websites specifically created for said group. All of this time and time again proves that I'm able to work with and learn anything I need to in order to properly serve as an Assistant Clerk. Any questions?

Hon. Antonio_Gamer1567: @Borealis_1 have you ever been a member of any terrorist organisation?
