Hon. S3aWo1fz: Seeing as all Members of the Legislative Assembly, including the Premier, are in attendance, the following are the [Orders of the Day](#) for this sitting.

Commitments of Business

Order in Council No. 20 — Nominating Mr. xM_inn to the position of Chief Sheriff within the British Columbia Sheriff Service

Hon. S3aWo1fz: Our first and only piece of business before us is [Order in Council No. 20](#), nominating Mr. xM_inn to the position of Chief Sheriff within the British Columbia Sheriff Service. Mr. @xM_inn you are given the floor for your speech. Please advise me once finished.

Mr. xM_inn: Hi all, my speech can be found here: [LINK](#)
I am willing to listen and answer any questions or concerns you may have. Thank you for your time.
I am finished, Mr. Speaker. @S3aWo1fz

Hon. S3aWo1fz: Thank you; @Voting Member an open debate and motion period is opened.

Hon. FoxyTheWereFox: As long as no one has any questions, mtv

Hon. hxamz_a: My one and only question, what will you do about the Training Division? Apologies, its director.

Mr. xM_inn: I plan to overhaul the training division, review the department curriculum, and assess the overall competence of current instructional personnel. I'll provide my own insight into the curriculum to ensure it matches my vision of a simplified but effective training process. From the brief review I have already conducted, the curriculum seems unnecessarily long and I would like to shorten that. I generally plan to take a more proactive approach with my involvement in the training division until a time where a suitable director is able to lead it independently to my expectations. As for the current director of the training division, I will convey concerns I have with him privately and seek to reach a mutual agreement. I am willing to work with him should he be able to meet my expectations, but will not hesitate in replacing him should I feel it is in the best interests of the department. [Referencing to the question of Hon. hxamz_a]

Hon. Dakota_303: If no other question, I section the motion to vote. [Referencing MTV from Hon. FoxyTheWereFox]

Hon. hxamz_a: Alright, thanks mate. [Replying to Mr. xM_inn]
Second [Referencing MTV from Hon. FoxyTheWereFox]

Hon. vd207: BCSS currently refuses to conform with the universal training standard do you plan on changing that?

Hon. Dakota_303: Withdrawn [Withdrawing own MTV]

The Sheriff service currently has the highest amount of employees out of the four departments in British Columbia.

What are your plans for this, if any? If not, how will you ensure that each Deputy, no matter their position, is competent enough to be working on the field?

Mr. xM_inn: I am currently unfamiliar with the universal training standard, however I am willing to learn more and introduce it to BCSS. [Referencing to the question of Hon. vd207]

The service has always held a rather high member count since I joined. I do not believe it is a negative to have a high amount of employees, however I do understand the need for prioritising quality over quantity. As for ensuring personnel remain competent, we have our complaint form which members of the public can report their concerns. I plan to have an active role in-game once Victoria is released, allowing me to personally see progression and areas of improvement in personnel. Those who show signs of incompetence will be subject to disciplinary and/or re-training. [Referencing to the question of Hon. Dakota_303]

Hon. hxamz_a: Also, I ensure this will be the last question, will there be any change towards the BCSS Administration (i.e. Change of 2ic) under your command? @xM_inn

Motion to vote after this question is answered, unless others have any questions.

If so, which individuals do you have in mind?

Mr. xM_inn: Not unless needed, however I do plan on setting clear expectations for administration members moving forwards. I will be eventually removing the Chief Superintendent role as well. [Referencing to the question of Hon. hxamz_a]

I cannot say for certain unless the position was to open, however it'd be somebody that is already part of the high command. [Referencing to the question of Hon. hxamz_a]

Hon. hxamz_a: Alright, thank you for your responses.

@S3aWo1fz

Hon. vd207: No other questions from me either mtv @S3aWo1fz

Hon. Shibe_R6: Aside from the removal of the Chief Superintendent role, do you have any plans to alter the way in which the Sheriff Service is structured?

Mr. xM_inn: No, however I am open to ideas.

Hon. S3aWo1fz: The Honourable @Shibe_R6, do you have any further questions?

Hon. Shibe_R6: I do not

Hon. S3aWo1fz: Any objections to the motion to vote, the honourable @Antonio_Gamer1567?

Hon. Antonio_Gamer1567: No

Hon. S3aWo1fz: Seeing as there are no objections to the motion to vote, the motion automatically passes.

Open debate and motion period is closed; voting period is open. @Voting Member vote on the nomination.

Hon. FoxyTheWereFox: I

Hon. hxamz_a: I

Hon. Antonio_Gamer1567: I

Hon. Shibe_R6: I

Hon. vd207: I

Hon. Dakota_303: I

Hon. S3aWo1fz: Nomination passes unanimously.

Congrats, Chief Sheriff @xM_inn.
