ORDER IN COUNCIL 9 — BRAVOCREED NOMINATED TO THE POSITION OF ATTORNEY
GENERAL OF THE MINISTRY AND JUSTICE AND PRESIDENT OF THE LAW SOCIETY OF
BRITISH COLUMBIA

Hon. S3aWo1fz: Next piece of business before us is the [nomination of Mr. bravocreed to the position of Attorney Governor and President of the Law Society](#).

Mr. @bravocreed is given the floor for his nomination statement.

Please advise me once you are finished.

Mr. bravocreed: it'll be tomorrow afternoon when it's sent in, sorry all ive been and will be very busy this weekend

hello all, apologies for the delay ive been quite busy due to some unexpected matters over the last couple days. im sure at this point you all know (of) me, whether it be from past interactions from my time in law enforcement working in SIB or ERT, or perhaps you (have) work(ed) with me currently or previously from my long time within the justice ministry. all in all i don't intend to waffle this or ramble on, my last nomination was denied because well, god knows and we all saw how that went, so instead ill let numbers talk:

during my 3 terms as (acting) attorney general / minister for justice i have prosecuted and won every case i have taken to trial, having also made several steps in progressing our use of resources to instead push towards DPAs instead of taking all cases to trial to be able to allocate more resources to more necessary cases rather than simple offences. i take a great pride in the work i and the ministry i have been apart of and led for many years and what i hope to be many more.

whether my nomination is approved or not, i will still be here and will remain the bane of every public servant, government official, bent business owner and/or anyone else who decides that they would like to fancy stepping off the ethical line. i have torn down careers that took people many years to build, i will continue to do so until the end of time, because liberty demands justice which you can see is plastered on every document i have released for the last 3 years that has come out of my ministry including dpa's just to rub a bit of extra salt in the wound.

tldr; if you apprvoe me, i intend to make things better, simply me being there is a step up because i actually take cases and deal with cases which is more than any previous AG can say, i have a strong staff consisting of seasoned legal professionals from other communities and YET STILL, if you decide that's not enough and want to deny it, that's ok because i will haunt every single person that decides they're too good for our fair province regardless of who they are or what position they hold.

i yield @S3aWo1fz

Hon. S3aWo1fz: Open debate and motion period is in effect, @Voting Legislative Assembly Member. You may question the nominee.

If you do not have any questions for the nominee please say so now.

ORDER IN COUNCIL 10 — CONFUSSLED NOMINATED TO THE POSITION OF BENCHER IN
THE LAW SOCIETY OF BRITISH COLUMBIA

Hon. S3aWo1fz: Next order of business is the [nomination of Confussled to the position of Bencher in the Law Society of British Columbia](#).

@Confussled is given the floor for their statement.

Please advise me once you are finished with your statement

Confussled: hello

good morning

I didn't actually write anything but

Basically, I've been a member of the Firestone legal community for about 2 or 3 years now. LSBC is in a bad state, given there is no public attorney code of conduct. As a benchner, I'll strive to ensure that such a code is published within a reasonable time. In addition, I'll ensure that there is a public and maintained list of barristers. Finally, I may review the certification test and, in conjunction with my fellow benchers, may change the exam to ensure a higher level of competency in barristers.

I understand that my lack of experience within Vancouver is potentially problematic, however I assure you that my experience in the Roblox legal community as a whole gives me a foundation to grow LSBC into something beautiful.

Thank you all for your time, and I'll be happy to answer any questions you may have.

@S3aWo1fz

Hon. S3aWo1fz: Open debate and motion period is in effect, @Voting Legislative Assembly Member.

You may now question the nominee,

of the british columbia

Hon. vd207: ok good good

on a scale of 1-10 how active are you

ORDER IN COUNCIL 12 — XXKENPLAYS NOMINATED TO THE POSITION OF BENCHER IN
THE LAW SOCIETY OF BRITISH COLUMBIA

Hon. S3aWo1fz: Next and final piece of business before us is the [nomination of xXKenPlays to the position of Bencher in the Law Society of British Columbia](#).
Mr. @xXKenPlays is given the floor for his statement.

Please advise me once finished.

Mr. xXKenPlays: I will provide my statement when I'm home ~3 hours

Hello all,

I assume you all know who I am, so I won't go into that part. I have been an integral part of the Court since its inception, starting off as a clerk of a judge, moving to registrar, then master, and finally judge, where I am today. LSBC has been notoriously forgotten about nor cared by most members of this community. I, with the assistance of the benchers on the board will help to resolve that issue. The current Rules of the Law Society is quite frankly put, a mess, and something I intend to change. I intend on working with the other benchers to make it shorter and more clear and concise. With the LSBC allowing transfers from other communities such as Firestone, I further plan to help ensure the ease of transition between. Some of the current barristers are let's put it at not being so competent. To counter that, I will look at reviewing the certification test, to ensure a higher level of competency.

I welcome all questions from the members of the Legislative Assembly.

@S3aWo1fz

Hon. S3aWo1fz: Open debate and motion period is in effect, @Voting Legislative Assembly Member.

You may now question the nominee.

Deputy Premier Antonio_Gamer1567: @xXKenPlays how do you think the community members would be more interested in joining the LSBC?

Mr. xXKenPlays: Ease the process while maintaining integrity in it.

Hon. vd207: @xXKenPlays have you ever committed a criminal offence within British Columbia?

Mr. xXKenPlays: I am unsure of your question, can you clarify.

@vd207

Hon. vd207: have you ever broken a law or committed a crime

Mr. xXKenPlays: I will not comment on that matter. @vd207

Hon. vd207: Ermmmm Ok

Have you ever utilized any alternate accounts within British Columbia? @xXKenPlays

Mr. xXKenPlays: No comment on that matter too. @vd207

Hon. vd207: Hm Ok.

Have you ever accepted any form of bribe or been corrupt in any way?

Mr. xXKenPlays: Never.

Hon. vd207: Are you telling the truth?

Mr. xXKenPlays: Yes

On my mother

Hon. vd207: Ok

Have you ever forced somebody to do something against their will?

Mr. xXKenPlays: I do not believe so.

Hon. vd207: Hmmm. Ok.

Hon. FoxyTheWereFox: Why were you removed from CIU Director? @xXKenPlays

Mr. xXKenPlays: Because I had members of the opposition who wanted me out for absolutely zero reason. @FoxyTheWereFox

Hon. FoxyTheWereFox: Could you expand on that

Hon. xXKenPlays: No I cannot it is very complicated

Hon. FoxyTheWereFox: I've got all the time in the world, please proceed

xXKenPlays: I respectfully decline to answer that question

Hon. vd207: You've dodged or unanswered most of the questions asked here!
This is unacceptable!

Deputy Premier Antonio_Gamer1567: Real

@xXKenPlays there have been a lot of AGs and benchers in LSBC but none of them have really done anything to improve it. Why should we believe that you will actually be any different than any of them and that you will not avoid LSBC problems like you are avoiding questions of other MLAs?

Hon. hxamz_a: Motion to vote 

Hon. FoxyTheWereFox: objection, question asked and unanswered

Mr. xXKenPlays: As previously said, I've been in the courts since its inception. Do I want to see it fail due to a lack of competent lawyers, no. I have a strong desire to ensure the success of the legal system and thus intend to put in maximum effort to ensure it happens.

Deputy Premier Antonio_Gamer1567: I second @S3aWo1fz

Hon. hxamz_a: You asked a question, he doesn't want to respond, what more can we do?

Hon. FoxyTheWereFox: It was that a question was asked that he hadn't had chance to respond to yet, which is no longer an issue since he has

Hon. hxamz_a: Alright then, that resolves the objection, I assume

Hon. S3aWo1fz: Motion passes seeing as no objections no longer exist.

Open debate and motion period closed, voting period open.

@Voting Legislative Assembly Member vote on the nomination.

Hon. rpqu: Abs

Hon. hxamz_a: Aye

Hon. vd207: Aye

Hon. FoxyTheWereFox: Aye

Hon. S3aWo1fz: The Honourable Premier @sithmaster921 and the Honourable @Shibe_R6 please vote.

@Antonio_Gamer1567*

Hon. Shibe_R6: Abs

Deputy Premier Antonio_Gamer1567: Abs

Hon. S3aWo1fz: Nomination fails with 3 for, 3 abstaining.

With that, all business scheduled for this sitting has been concluded.

Sitting is adjourned.
